

# Volkowitsch Golf Open

BUY HELICOPTER GOLF BALL DROP TICKETS

Your invited to the 3rd Annual Volkowitsch Golf Open! The inspirational story behind this event began in 2003 when Melissa Balkowitsch was diagnosed with breast cancer. Missy underwent surgery and years of treatment in her battle with cancer. Watching someone you love battle this disease on a daily basis leaves you with a feeling of helplessness. This golf tournament is our way to help others with their battle with breast cancer; to let them know that they are not alone and we will do whatever it takes to help them overcome and defeat this terrible disease. 100% of all proceeds will be donated between The Bismarck Cancer Center Foundation to support local families and The Breast Cancer Research Foundation; to eventually one day find a cure. We guarantee this will be the best time you ever had on a golf course! See you there!
